

Would like to welcome you to our:

Responsible Recycling (R2) Training

(Normal price: \$695) Now: FREE

Learn about how to gain a competitive edge by attaining R2 certification. This seminar will be presented by our featured speaker and R2 expert - Larry Belusz.

R2 TRAINING SYLLABUS

- Learn 5 simple steps to R2 certification
- Learn key requirements of the R2 standard
- Evaluate the differences between the e-Stewards initiative & R2 certification
- Understand registrar requirements regarding upgrading your existing ISO 9001 or ISO 14001 certification to R2
- What should be included in a Focus Materials Plan
- What should an R2 policy address
- What level of internal training is required
- What is expected of the established EHSMS
- How to select and evaluate downstream vendors
- Learn what qualifications an R2 internal auditor must possess
- Framework for effective compliance evaluations
- Understand the EPA's role, the Basel Convention, and Basel Action Network (BAN)
- This training will fulfill your knowledge base requirements for R2 for internal auditors
